Redacted Transcript and Digital Scholarship Repository

Prepared for GitHub repository use.

Transcript privacy status: student-number field redacted using true PDF redaction.

Original unredacted transcript is excluded from this package.

Build date: 2026-06-29

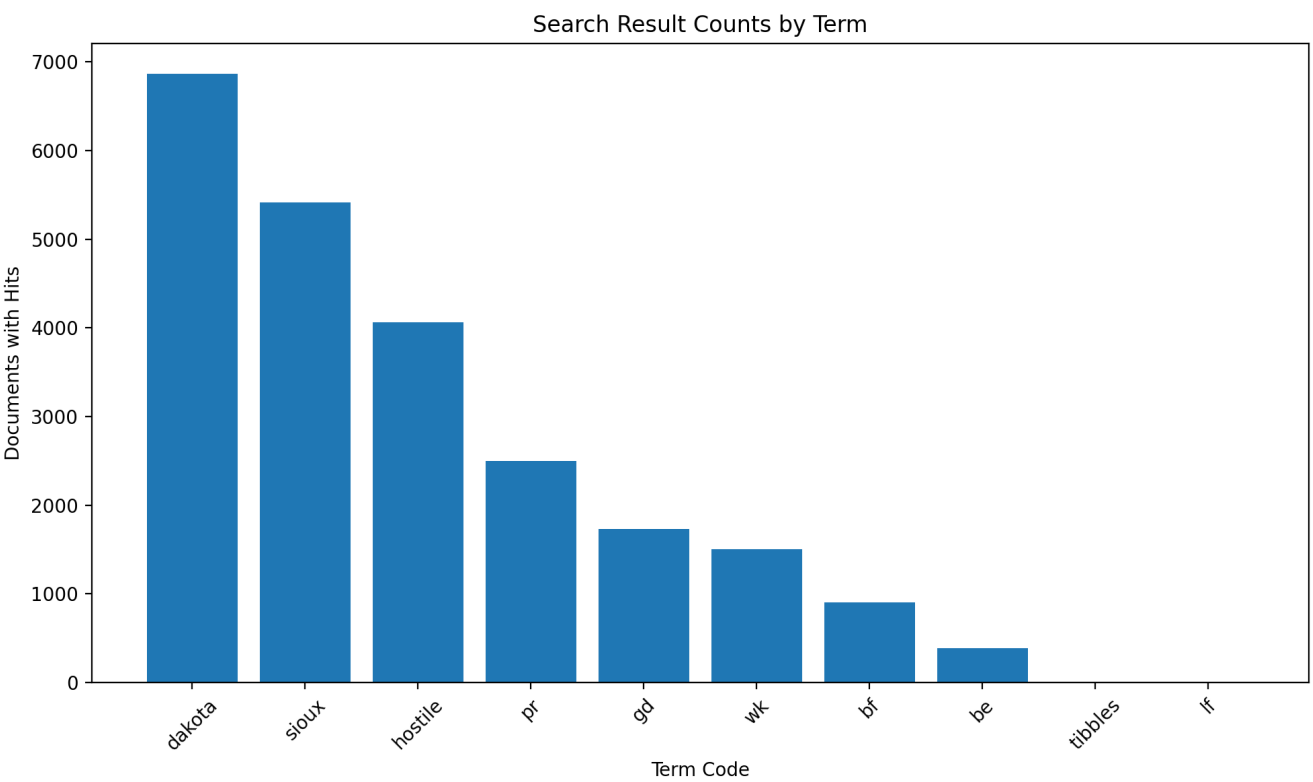

Contents

1. Redacted transcript PDF and rendered transcript page images.
2. Python bot for repeatable redaction and repository packaging.
3. Uploaded Python research scripts and supporting data files.
4. Generated visual media from the supplied research data files.

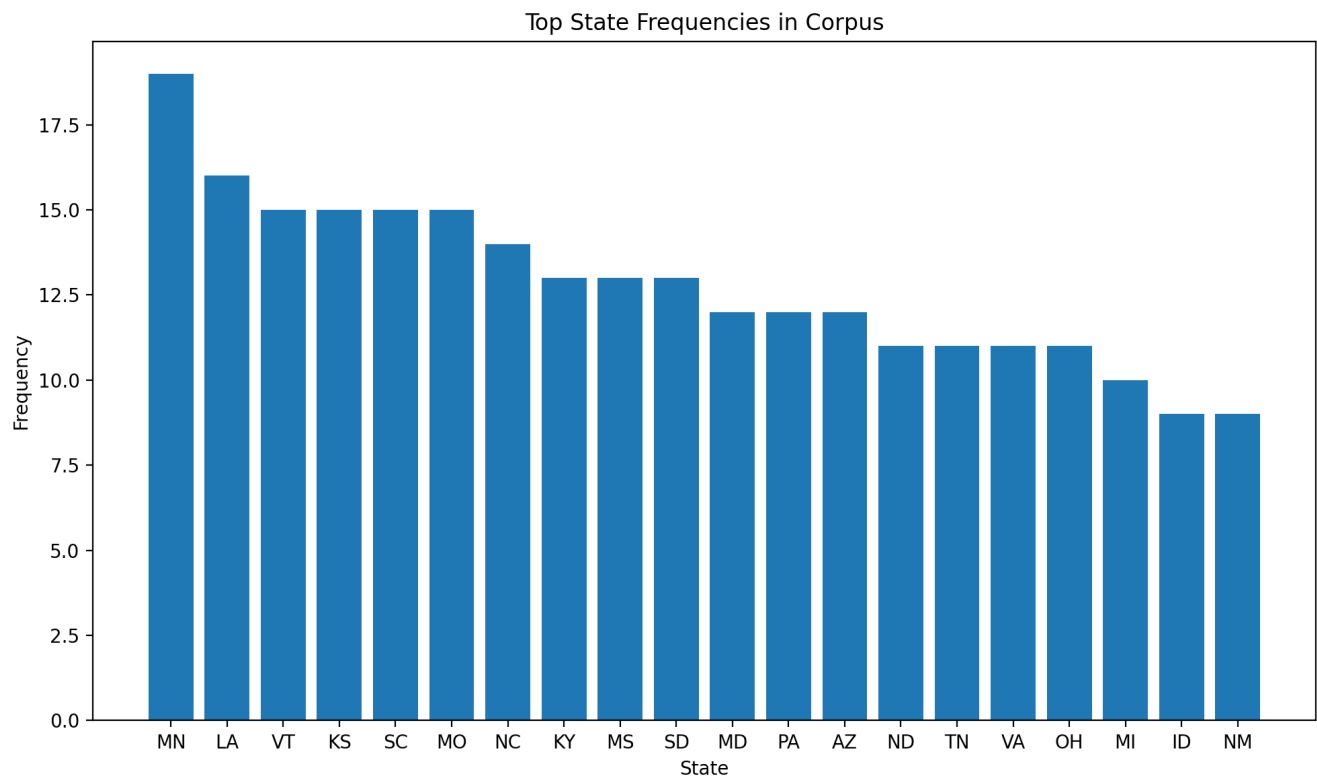

Repository File Index
